INFORMATION DISCLOSURE STATEMENT

U.S. Appln. No.: 10/669,526

Attorney Docket No.: Q77001

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations:

The submission of the attached partial English language translation of JP-B No. 44-20189 constitutes a concise statement of relevance of the reference, as does the discussion of the reference on page 2 in the specification. Also, Applicants note that JP-B No. 44-20189 claims priority from US Patent Application Serial No. 461199 filed June 3, 1965 and US Patent Application Serial No. 485070 filed September 3, 1965, and that U.S. Patent 3,418,118 submitted herewith is a CIP of Serial No. 461199.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. A duplicate copy of this paper is attached.

Respectfully submitted,
